This addition will appear in the Approved List available on the Internet @ www.dot.state.ny.us under **Materials**. It will also appear in our next scheduled printing. Until this change appears on the list, a copy of this letter will constitute that part of the Evidence of Acceptability requiring appearance on the Department's Approved List. We recommend that you include a copy of this letter with shipments to indicate your status on the Approved List.

If there are any changes in the manufacturing, formulation, or location of supplier of these products, you must inform the Materials Bureau immediately for action on continued acceptability.

We also wish to inform you that this letter shall in no way be used for promotional purposes such as a copy of this letter in any form used as advertisement in any sales literature or trade magazines.

If there are any questions, contact Gary Glath of the Landscape Architecture Section of the Design Quality Assurance Bureau at (518) 457-5286.

Very truly yours,
